One of One Europe – Card Festival to celebrate its 2027 premiere at Europa-Park

With the One of One Europe – Card Festival, a new trading-card festival is coming to Europa-Park. On 27 and 28 March 2027, the festival will celebrate its premiere at the Confertainment Center of Europa-Park in Rust.

Across around 6,000 m², collectors, dealers, brands and creators from Germany and across Europe will come together. The festival takes place right at the main entrance of Europa-Park and spans several venues within the Confertainment Center — including the Europa-Park Arena, the Dome, the historic mirror tent “Traumpalast” and a VIP lounge overlooking the event.

The Card Festival is aimed at private collectors as well as dealers, shops, breakers, brands and creators. Over two event days — Saturday from 9 a.m. to 9 p.m. and Sunday from 9 a.m. to 8 p.m. — the focus is on buying and selling Trading Cards, community exchange and meeting industry partners and creators. The deliberately long opening hours give visitors enough time for both their hobby and a visit to Europa-Park.

With its premiere at Europa-Park, the festival combines Trading Cards with the special setting of the Europa-Park Resort and creates a new meeting point for collectors, dealers, brands and creators.

“We wanted to create a Cardshow that doesn’t feel like a classic trade-fair day, but like a shared experience for the community. As Germany’s largest theme park, Europa-Park offers the perfect setting for that.”

– Enes Ekerbicer, Co-Founder One of One Europe

“Our goal is to create an event where visitors, exhibitors and partners all feel at ease — with well-organised operations, short distances and an exceptional location. The first edition is meant to lay the foundation for a long-term festival format.”

– Ronald Krause, Co-Founder One of One Europe

Tickets are available via the official ticket shop. Visitors can choose between the Cardshow ticket (admission to the event) and the combi ticket (Cardshow including Europa-Park). Both options are offered for Saturday, Sunday or the entire weekend and can be enhanced with optional upgrades.
